

Value Added Healthcare SA(Pty) Ltd

Company Profile

Company Name: Value Added Healthcare South Africa (Pty) Ltd also known as (VAHSA)

Tagline: Supporting private healthcare businesses to optimise their gain and function. The Zenith of Healthcare Management.

About Us:

Value Added Healthcare South Africa (Pty) Ltd (VAHSA) is a dedicated private company committed to supporting healthcare practitioners in navigating the intricate healthcare funding landscape in South Africa. Our expertise enables doctors, nurses, physiotherapists, radiographers, specialists, and other healthcare professionals to optimize their businesses.

Mission:

Our mandate is to educate, assist, and support private healthcare businesses in minimizing claims rejections, short payments, and litigation errors. We strive to enhance the financial performance and operational efficiency of our clients.

Services:

VAHSA offers a comprehensive range of services designed to empower private healthcare businesses:

- **Training:** Expert-led workshops and training sessions on healthcare funding, claims management, and compliance.
- **Clinical Coding and Billing Consulting:** Specialized guidance on accurate coding, billing, and reimbursement.
- **Medicolegal Support:** Expert advice in medicolegal disputes regarding claims and litigation.

Our Expertise:

With extensive knowledge of the South African healthcare funding environment, VAHSA's team provides personalized support to healthcare practitioners, ensuring:

- Improved claims submission and reimbursement
- Reduced claims rejections and short payments

- Enhanced business efficiency and profitability
- Effective medicolegal risk management

Why Choose VAHSA?

By partnering with VAHSA, healthcare practitioners gain:

- Expert knowledge and guidance
- Increased revenue and profitability
- Reduced administrative burdens
- Enhanced patient care and satisfaction
