Query Types and fee

- Unique clinical Codes 350
- Scenarios 500
- PMB (precrived minimum benefits) 500
- Non-Payment 750
- Partial Payment 750

PMB conditions

- Add three default conditions the client will provide them tomorrow

Reasons for partial payment

- Incorrect/ unknown coding
- Service not covered
- Lack of pre authorisation

Other columns will be used by the user in clicnical coding page ,then those columns will be turned into a pdf document alongside the files uploaded and the admin can access them via the manage clinical code sections to download and utilise the information along side the addtitional documents I can work together with you to get that functionality

Or even improve it
